

1st National Conference

on

**Biotechnology & Agriculture Based
Technological Interventions Towards
Sustainable Rural Development**

Book of Abstracts

Date: March 14-15, 2020

Organized by

Department of Biotechnology

BRAINWARE UNIVERSITY

BARASAT, KOLKATA

Editors:

Dr. Pijush Mallick, Dr. Suman Bhandary, Dr. Uma Shankar Prasad Uday

OP14. Assessment of genetic diversity in <i>Ocimum</i> germplasm from West Bengal using molecular markers. Soumen Saha ^{1*} & Khasru Alam ²	24
OP15. The Microbial Technology of Biofuels. Sandeepan Sengupta ^{1,*} , Payel Ghosh ¹ , Subhasis Sarkar ¹	25
Abstracts for poster presentations	26-35
PP01. GM crops: Prospect or distress? Nabajit Mondal ¹ & Tirthankar Dalui ²	27
PP02. Microbial Laccase: Sources, Classification, Production and their Potential Application. Jhiki Das ¹ , Priyanka Samanta ¹ , Uma Shankar Prasad Uday ^{1*}	27
PP03. Analysis of relative DNA content of <i>Termitomyces</i> protoplast using propidium iodide. Pijush Mallick ^{1*} and Bisweswar Bera ¹	28
PP04. Problems and future of orchid industry in India. Sangita Ghosh ¹ , Samarjit Ray ^{1*}	28
PP05. Antimicrobial Properties of medicinal Plant Extracts. Raghunath Jha ¹ , Priyanka Samanta ¹ and Subhash Halder ^{1*}	29
PP06. Bio-inspired synthesis of silver nanoparticles and its potential antibacterial and antifungal applications. Pijush Kanti Mandal ¹ , Priyanka Samanta ¹ and Suman Bhandary ^{1,*}	29
PP07. Isolation and characterization of Amylase producing fungal strain. Sanchari Das ¹ , Priyanka Samanta, Uma Shankar Prasad Uday ^{1*}	30
PP08. Silver nanoparticles improves growth of endangered medicinal plant <i>Swertia chirata</i> . Supriti Sarkar ¹ , Priyanka Samanta ¹ and Nirlipta Saha ^{1*}	30
PP09. Effect of Green synthesized silver Nanoparticle on post-harvest shelf life of Horticultural Crops. Anwesha Chatterjee ¹ , Afreen Akhtar ^{1*} , Harshata Pal ¹	31
PP10. Effect of salinity on imbibition, Seed germination, Seedling growth of mustard (<i>Brassica sp.</i>) variety B9 & B-54. Srijani Bhattacharjee ¹ , Sanjoy Sadhukhan ^{1*}	31
PP11. Empowerment of rural women through participation in mushroom production Abid Hayat ¹ , Manab Kanti Mahato ² and Prateem Bishnu ³	32
PP12. Analysis of genetic diversity of protoplast fused <i>pfls</i> somatic hybrid strains through randomly amplified polymorphic DNA markers. Pijush Mallick ^{1,2*} , Neelanjana Bag ¹ and Samir Ranjan Sikdar ²	32
PP13. Vermicomposting: A Way of Income Generation for Rural Womaen. Shuvadeep Halder	33
PP14. Study on sweet orange based agroforestry system in new alluvial zone of West Bengal. P. Das ^{1*} , S. Panda ² , P.K Dhara ³	33
PP15. A review on development and potential benefits of Genetically Improved Farmed Tilapia (GIFT) in Aquaculture. Ankita Mondal ¹ & Tirthankar Dalui ²	34
PP16. Biorefinery technology towards better food waste management. Mousumi Pradhan and Saprativ P. Das	34
PP17. Bad Effect of GM crops on human health. Jaita Samui, Mousam Sarkar, Soumen Bag	35
