**Value Added Course,
on
"Gender Sensitization"
Venue : College auditorium**

Date and Time - 7-11 MARCH, 2022, 10.00 AM - 5.00 PM

Course Objectives :

- To enable the students to reflect on their understanding of sex and gender
- To clarify the differences between sex and gender for the students
- To increase the understanding of the concept of gender
- To increase the comfort level of the students with these issues
- To enable the students to understand the differential behaviour norms ascribed to boys/men or girls/women
- To identify sources that influence and reinforce these behaviours
- To understand the consequences of different behaviour for girls/women and boys/men
- To understand how gender roles lead to gendered division of labour
- To enable participants to understand gender discrimination based on stereotyping of male and female qualities
- To understand the social pressures, benefits and costs for men and women to confirm to dominant gender roles
- To enable the students to share their perceptions of gender equality and explain how it is a condition that is beneficial to both women and men.
- To make students understand that gender equality is part and parcel of delivering our commitments to equal human rights for all

Course Outcome:

This Course is designed with a view that it will be beneficial for the students' academic knowledge and the practical applicability too which will enhance their future employment status.
