VOLUNTERS'S OPENION REGARDING PROGRAMME

BARASAT COLLEGE, Barasat, North 24-Parganas started its journey in a humble way in the year 1972 with the sole motto of socio-cultural and educational upliftment of the adjoining urban and rural areas of Barasat. Barasat College, a co-educational college, was initially affiliated by the University of Calcutta under the name 'Barasat Evening College' on 21st Nov 1972. Honours Course in Accounting and Finance was introduced in the session 1978-79 and honours in Marketing Course started in 2002-03. With the passage of time the need was felt to introduce Humanities stream and it was introduced in the day section in the session 1988-89 with B.A pass course - subjects offered were Bengali, English, Political Science, Philosophy, Education and History. Gradually Honours courses in Humanities were introduced. The Science stream with honours course in Geography and pass courses in Pure Science, Bio-Science and Computer Science have been introduced in 2003-04 and 2004-05 respectively. In the past our college was affiliated to Calcutta University. After the formation of West Bengal State University for the district of North 24-Parganas in 2008 our college has come under the affiliation of this new University. In the Session 2012-13 Honours in Physics, Chemistry, Mathematics, Zoology, Botany and Computer Science were added to our journey of education. From infinite number of Teaching & Non- Teaching Staff, Students, Local Administrators and Stakeholders, it has reached its present colossal status. It has outshined many academic institutions in spite of its humble infrastructure and goes on collecting accolades as usual, as days go by.

Ever since its inception, the college has been trying to achieve excellence and fulfil the objectives as envisaged in the NSS activities. The Barasat college NSS Unit is led by one Programme Officers: Dr.Mijarul Islam (Assistant Professor, Commerce). Took charge as a programme officer on 10th march, 2022, the NSS Cell was able to conduct various regular and special programmes.

is also the problems of professional blood donors, who usher in various diseases, once a receiver receives this contaminated blood. We at Barasat College thought it proper to arrange a blood donation camp, where blood, free from all impurities, can be donated, as none in the College is a professional donor of blood.

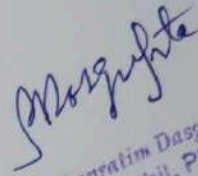

The blood donation camp held on 18th January 2018 at the premises of Barasat College, 15 volunteers has participated on the programme and 33 donor has donated blood at their own will. And all the NSS volunteers, teaching and non-teaching staff has performed and took the responsibility for their own capabilities. Every NSS volunteers contributed their personal roles as per NSS guide line and on the other hand programme officer of the college's used his expertise skill for successfully completed the entire programme. The college and NSS volunteers have given the esteemed hospitality for the honourable blood donor with nursing, fooding and other take caring responsibility.

The purpose of the blood donation camp is to select a suitable donor whose blood will be safe to the recipient and who himself shall not is any way be harmed by blood donation. Blood is essential to help patients survive surgeries, cancer treatment, chronic illness and traumatic injuries. This life saving care starts with one person making a generous donation. The need for blood is constant. Blood donation is one of the most significant contribution that a person can make towards the society. It is not harmful for an adult to donate blood. For this view our college organized the blood donation camp with the help of NSS Unit.

At the end of the program, Prof. Thirthankar Dalui delivered a brief lecture about the need to keep such Blood Donation Camps running so that the Blood Banks do not run dry. The Pruncipal thanked all blood doners profusely, and spoke of his will to hold such blood donation camp at regular intervals.

Dr. Parthapratim Dasgupta
M.A, M.Phil, Ph.D
Principal
Barasat College

It is often said and rightly said too that the best gift one can give is none other than blood, as it saves life and brings smile in the face not only of the ailing or dying but their near and dear ones too. Millions of people all over the world die due to the scarcity of blood every year.
